

The Department of Civil and Environmental Engineering at the American University of Beirut (AUB) invites applications for a faculty position in the area of Transportation Engineering at the level of Assistant or Associate Professor.

Applicants for this position should hold a Ph.D. degree in Civil Engineering in the area of Transportation Engineering. Candidates with research interest in traffic engineering (operations, control, modeling and simulation, intelligent transportation systems), transportation infrastructure planning and management, and/or geomatics (surveying, remote sensing, GIS, GPS, mapping, mobile internet applications) are particularly encouraged to apply.

The successful candidate is expected to teach graduate and undergraduate courses in the candidate's field, participate in program development, and be active in research.

Applications must include a letter of interest, statements of teaching and research interests, complete curriculum vitae, and the names and contact details of at least three references. The complete application must be addressed to the Dean, Faculty of Engineering and Architecture, American University of Beirut, P. O. Box: 11-0236, Riad El-Solh Beirut: 1107 2020, Lebanon. An electronic copy should also be sent to [fea@aub.edu.lb](mailto:fea@aub.edu.lb).

Consideration of the received applications will begin as of September 15, 2013 and will continue until the position is filled.

The proposed starting date for the position is January 15, 2014. Later starting dates may be considered in agreement with the successful applicant. Salary will be commensurate with experience and qualifications.

The American University of Beirut is an affirmative action, equal opportunity employer.
