

COST TU1004- TRAINING SCHOOL-

CALL FOR PARTICIPATION

We are pleased to announce that the COST TU1004 Action is organizing Training School on **Modelling Public Transport Passenger Flows in the Era of Intelligent Transport Systems**, which will be held in the city of Volos, Greece on 05-08 May 2014.

Almost 60 trainees will have the opportunity to participate and gain knowledge and expertise on modeling transit demand – supply and assignment, as affected by the Intelligent Transport Systems.

Eligible trainees are those who are currently attending a graduate course on transportation engineering and/or planning or have recently completed one (last 3 years), with basic knowledge of VISUM software. Selection of the eligible applicants will be based on their qualifications. As there is a limited capacity, priority will be given to the earlier applications received.

Applicants will have to complete the “INTENTION_TO_PARTICIPATE_IN_THE_COST_TU1004_TRAINING_SCHOOL_FORM” and send it to itspublictransport@gmail.com with their full CV attached (in pdf), until the 23rd of March 2014.
