

Student Poster Competition

5th Urban Street Symposium

Raleigh, North Carolina, May 21 - 24, 2017

The TRB Committees

Geometric Design (AFB10), Operational Effects of Geometrics (AHB65), Access Management (AHB70), and Highway Capacity and Quality of Service (AHB40),

along with the

North Carolina Section of the Institute of Transportation Engineers

are co-sponsoring:

Student Research Posters in Urban Streets

The Urban Street Symposium Planning Committee welcomes submission of posters by undergraduate and graduate student authors for consideration of presentation at the 5th Urban Street Symposium in Raleigh, North Carolina. The posters should reflect completed or ongoing research being conducted by students (both Undergraduate, Master, and Doctorate) in the following areas:

- Access Management
- Accommodating All Users
- Accommodating/Incorporation all vehicles
- Active Traffic Management Impact on Designs
- Context Sensitive Solutions
- Designing Consistency
- Driveways
- Design Effects on Operations and Safety
- Human Factors Consideration in Design
- Intersections: Traditional, Roundabout, Innovative
- Integrating Traffic Control Devices with Design
- Layout of Networks and Neighborhoods
- Public and Stakeholder Involvement
- Roadside Safety Design
- Safety Management Supporting Road Design
- Simulation and Visualization
- Speed, Speed Management, and Traffic Calming
- Sustainable Design

Posters will be reviewed by members of the committees and selected poster will be invited for presentation. The presentations will take place during a poster session that is integrated with a session of posters developed from abstracts and full length papers submitted last fall. **Additionally, the top three posters will receive awards of \$500, \$350, and \$150, respectively. The awards will be presented at the Urban Street Symposium.**

Posters should be 40 inches tall by 30 inches wide and submitted as a PDF. A PowerPoint template is provided as guidance. In addition to the poster, the student should submit a copy of the attached form. Posters should be submitted directly to Shannon Warchol via email (sewarcho+ussposter@ncsu.edu) with subject line: *[Author Last Name]* USS 2017 Student Poster Competition.

Posters to be considered for the Urban Street Symposium must be submitted electronically no later than Wednesday, March 1, 2017. Posters cannot be accepted after March 1 due to the time required to facilitate the selection process. Authors of the selected posters will be contacted by March 31, 2017.

Urban Street Symposium information is posted on the NCSITE website <http://ncsite.org/uss5/>. We look forward to receiving posters and seeing you in Raleigh!

5th Urban Street Symposium
Raleigh, North Carolina, May 21 - 24, 2017

Student Name: _____ **Email:** _____

University: _____

Academic Advisor: _____ **Email:** _____

Degree Seeking: _____

**Anticipated Date of
Graduation:** _____

By signing below, I verify the information above is correct and that my submission conforms to the requirements listed in the call for posters. Should my poster be selected for presentation, efforts will be made to attend the Urban Street Symposium to present the same. I understand that I will be required to register at a discounted rate as a student, and that travel and lodging costs are my responsibility.
