

The Hong Kong Polytechnic University is the largest government-funded tertiary institution in Hong Kong in terms of student number. It offers programmes at Doctorate, Master's, Bachelor's degrees and Higher Diploma levels. It has a full-time academic staff strength of around 1,200. The total consolidated expenditure budget of the University is in excess of HK\$4 billion per year.

DEPARTMENT OF CIVIL AND STRUCTURAL ENGINEERING

Associate Professor / Assistant Professor in Transportation Engineering

The Department of Civil and Structural Engineering is seeking a highly motivated individual with a Transportation Engineering **related PhD**. The Department enjoys high reputation in conducting application oriented research and has well established connections with industry partners and government agencies in Hong Kong.

The Department offers academic programmes at various levels, including MPhil degree and PhD degree, in the disciplines of Construction and Transportation Engineering, Environmental Engineering Science, Geotechnical Engineering, Hydraulic Engineering, and Structural Engineering. The Department currently has 40 faculty members and about 35 technical and administrative personnel and is committed to excellence in teaching, research, and service to society. Please visit the website at <http://www.cse.polyu.edu.hk> for more information about the Department.

The appointee will be required to (a) teach relevant subjects at various levels; (b) supervise student projects and theses; (c) initiate, lead and participate in research activities; and (d) undertake relevant administrative duties. An appointee at the Associate Professor level will be required to take up an active leadership role.

Applicants should (a) have a PhD degree in a related discipline; (b) have strong commitment to excellence in teaching and research; (c) have a good record of research and scholarship; and (d) be able to demonstrate effective classroom teaching skills and have good interpersonal skills. Applicants for the Associate Professor post should also have at least five years' experience in teaching Transportation Engineering.

Preference will be given to those with demonstrated track record and expertise in highway engineering and pavement materials. Preference will also be given to those with an undergraduate degree in Civil Engineering. Relevant professional qualifications and experience as a civil engineer will be an asset.

Remuneration and Conditions of Service

Salary offered will be commensurate with qualifications and experience. Initial appointment will be made on a fixed-term gratuity-bearing contract. Re-engagement thereafter is subject to mutual agreement. Remuneration package will be highly competitive. Applicants should state their current and expected salary in the application.

Application

Please submit application form via email to hrstaff@polyu.edu.hk; by fax at (852) 2364 2166; or by mail to **Human Resources Office, 13/F, Li Ka Shing Tower, The Hong Kong Polytechnic University, Hung Hom, Kowloon, Hong Kong**. If you would like to provide a separate curriculum vitae, please still complete the application form which will help speed up the recruitment process.
