

REVOLUTIONIZING MOBILITY: UNLOCKING INNOVATION POTENTIAL

6th November 2024

Location: OK!Thess, 2 Komotinis str. 54655, Thessaloniki, Greece

We are delighted to invite you to the **Revolutionizing Mobility: Unlocking Innovation Potential** event, organized by the INNO-MOB project, an exclusive gathering where **innovation meets opportunity** in the sustainable mobility sector!

This event offers a unique platform to:

- **Pitch your mobility innovations** to a panel of investors and key stakeholders.
- **Expand your network** by connecting with other companies and industry leaders.
- **Engage in networking sessions** to explore potential partnerships and collaborations.
- **Gain insights** in transport innovation.

All event activities are free of charge. Additionally, participants have the opportunity to **exhibit their services, products, or projects** in the **exhibition area** with a stand or by bringing **leaflets**.

Whether you're looking for investment partnerships or simply the chance to showcase your solutions, this event will help you forge valuable connections and discover new growth opportunities.

What's in it for you:

- **Investor Pitches:** Present your ideas directly to investors interested in mobility solutions.
- **Matchmaking and Networking:** Participate in 2-minute introductions and meet one-on-one with potential collaborators and business partners during the networking sessions.
- **Knowledge Sharing:** Learn from experts and key stakeholders on how to innovate and succeed in the mobility sector.

Don't miss out on this exciting opportunity to enhance your visibility, collaborate with key players, and drive the future of sustainable mobility.
